RE: Reference Letter for Ning Shen

It is my pleasure to provide this letter of reference for Ning Shen, who served as Marketing & Operations Intern with the Norwegian Australian Chamber of Commerce (NACC) from May to August.

In this part-time internship, Ning supported the NACC board in delivering on its core objectives: creating networking opportunities for members, promoting trade and investment between Norway and Australia, and strengthening awareness of the ties between our two countries.

Ning's responsibilities centered on marketing, event operations, and communications. She helped design the monthly member newsletter via Mailchimp, created marketing material for our channels, and supported event promotion across our website and social media. She has also provided hands-on operational support at events and reported regularly on her work – demonstrating reliability, attention to detail, and the ability to work independently in a remote flexible environment.

A particular highlight was Ning's contribution to the Norwegian Constitution Day celebration held on Sunday 17 May 2026. The event was attended by hundreds of guests, including Her Royal Highness Princess Ingrid Alexandra of Norway, Her Excellency the Honorable Margaret Beazley AC KC, Governor of New South Wales, and Her Excellency Ambassador Anne Grete Riise. Ning demonstrated reliability, initiative, and professionalism while assisting with event operations and guest coordination in a fast-paced public environment.

Throughout her internship, Ning showed a proactive and positive attitude, worked collaboratively with board members and fellow volunteers, and consistently delivered high-quality work. Her newsletters and marketing materials helped keep our members informed and engaged, supporting the Chamber's connection with the Norwegian Australian Business community.

I would confidently recommend Ning for future professional, marketing, event, or customer-facing opportunities. I am grateful for her contribution and support. Please feel free to contact me should require any further information.

Yours sincerely,
