PROFESSIONAL SUMMARY

Marketing & Communications graduate with agency experience in client servicing, account coordination, project management and integrated campaign delivery across global brands and international business organisations. Skilled in managing campaign workflows, coordinating cross-functional teams and supporting creative execution from briefing to delivery.

PROFESSIONAL EXPERIENCE

Norwegian Australian Chamber of Commerce | Australia-Norway Business Network

Marketing & Media Operations Intern | May 2026 – Aug 2026 | Sydney

- Developed and published 50+ social media content pieces across LinkedIn and Facebook, maintaining a weekly content calendar to support member engagement, brand communications and event promotion.
- Coordinated online and on-site business events, managed Eventbrite registrations, maintained CRM records (Pipedrive), and supported stakeholder communication with members, partners, and board representatives.
- Provided administrative support through meeting coordination, board documentation, database management, and day-to-day office operations.

Publicis Groupe | Global 4A Advertising Agency

Account Executive Intern – McDonald's China Account | Nov 2025 – Feb 2026 | Shanghai

- Supported client servicing and project coordination across multiple integrated campaigns for the McDonald's China account, collaborating with strategy, creative, media, production and retail teams.
- Managed campaign workflows, project timelines and communication between clients and internal teams from creative briefing to final delivery.
- Delivered integrated campaigns including McDonald's Chinese New Year, new product launches and the McDonald's × Duolingo collaboration, supporting campaign execution, project reviews and post-campaign reporting.

Hangzhou Huijian Sports Development Co., Ltd. | Sports Development Company

Client Operations Specialist | Jul 2024 – Aug 2024 | Shanghai

- Collaborated with a team of three to plan and deliver a children's swimming competition for 50+ attendees, developing the event proposal, competition schedule, awards ceremony plan, and on-site operations.
- Coordinated participant registration, communicated with coaches, referees, and parents, and managed event logistics to ensure smooth event delivery.
- Supported customer relationship management and analysed operational feedback to improve participant experience.

Tianjin Qianyou Technology Co., Ltd. | Education Technology Company

English Tutor | Mar 2025 – Dec 2026 | Online

- Designed personalized teaching content and explanation methods based on students' learning characteristics, helping them improve academic rankings from Top 40 to Top 20 in the class.
- Flexibly adapted teaching approaches for different students, enhancing the structuring of teaching content and information delivery skills.

SELECTED PROJECTS

Overseas Marketing Strategy | Youxuan International Trade (Huizhou) Co., Ltd.

Sydney | Sep 2026 – Present

- Audience Insights: Research market trends, consumer behaviour and target audiences to identify marketing opportunities.
- Social Media Strategy: Develop Social Media Matrices and localised content strategies across social media and WeChat.
- Content Optimisation: Support content planning and optimise marketing performance through data and audience feedback.

Sep 2026 — Present | RSPCA Australia

UNSW Sydney | Feb 2026 – Apr 2026

- Interpreted client brief and conducted stakeholder research, audience analysis, competitor benchmarking, and survey-based data analysis to identify communication challenges and campaign opportunities.
- Co-developed an integrated PR campaign featuring five PESO-based engagement tactics, including campaign strategy, social media activation, event planning, implementation timeline, and budget allocation.
- Designed measurable campaign objectives and evaluation metrics, including awareness surveys, engagement tracking, registration analysis, and post-campaign performance evaluation.
